Attendance Policy

- There are **22 class meetings** in total:
 - **21 regular lectures** (May 20–June 25)
 - **1 final exam** (held on June 26 during the usual 2-hour lecture slot)
- **Full attendance credit** is awarded for attending **at least 18 of the 21 regular lectures**.
- If fewer than 18 lectures are attended, the attendance grade is calculated as:
 - **1% per lecture attended** (e.g., a student who attends 15 regular lectures gets 15% for their attendance credit. If this student gets full mark on quizzes, homework, and the final, then their course grade is $15\% + 20\% + 25\% + 25\% = 85\%$.)
